

CR-Z

Genuine Accessories

HONDA
The Power of Dreams

As the Sports Hybrid has arrived, Honda's all-new CR-Z has set a stunning new standard in its class. Working closely alongside the CR-Z's development team, Honda Genuine Accessories have unveiled a range of equally stunning Accessories for the dynamic and sporty Hybrid. As you would expect from Honda, each is developed, tested and manufactured for safety, security and durability in order to meet Honda's exacting standards of quality and reliability. The CR-Z's Accessories come in four essential themes: metallic, carbon-inspired, illumination and colour. All combining to personalise your vehicle in a truly individual style.

EXTERIOR

ACCESSORIES

1 Front Sports Grille

It's sporty enough already, but the looks of the CR-Z will be transformed with the addition of the Front Sports Grille. Featuring a large 3D mesh in a metallic silver paint, the grille also matches the integrated grille in the Accessory Rear Diffuser.

2 Front and Side Skirts

To accentuate your CR-Z's sporting potential and road-holding abilities, slim-line Front and Side Skirts add a discrete but focused look. The skirts come in a black finish and feature a carbon-inspired texture for a true sports exterior.

3 Body Styling Stripes

For even more punch, you can add some stylish stripes to your CR-Z with two finishes available – matte black metallic or matte silver metallic. The Bonnet Stripes start on the upper front bumper and continue along either side of the bonnet. The Side Stripes begin on the top of the front fender continuing along the car's side.

4 Door Mirror Covers

The CR-Z's door mirrors can be integrated with the rest of its stylish design through the addition of metallic silver covers.

5 Air Intake Garnish

A trendy garnish on the air-intakes – finished in metallic silver – below the front fog lights will enhance the looks of the CR-Z even further.

6 Front, Side and Rear Trims

Protect your car's bodywork without giving up any of its looks with Front, Side and Rear Trims.

7 Front and Rear Parking Sensors

To assist in those extra-tight parking manoeuvres, Parking Sensors at the front and rear of your CR-Z will issue a warning tone when you are too close to an obstruction or another vehicle, eliminating the possibility of minor dents or scratches.

8 A-Pillar Decoration

A decorative addition to the A-pillar integrates perfectly with your CR-Z and is available in a metallic silver finish.

9 B-Pillar Decoration

Similar to the A-pillar decoration, a stylish addition for the B-pillar in metallic silver offers a fashionable add-on.

Rear Diffuser

Matching the Accessory Front Sports Grille, the grille in the Rear Diffuser adds to the stylish lines of the car's rear and completes its true sports exterior. It comes in a black finish, with a carbon-inspired texture and features an integrated grille in silver metallic.

Tailgate Spoiler

The addition of the Tailgate Spoiler will enhance your CR-Z's lines and emphasise its sporting pedigree. The Tailgate Spoiler is available in body colour and features a unique design, with a discrete centre and slightly protruding side wings.

Tailgate Garnish

A fashionable addition at the rear of the CR-Z is the Tailgate Garnish covering the body colour panel below the rear window. It is available in three different looks: silver, shiny black and a red reflector-inspired design.

INTERIOR

ACCESSORIES

1 Interior Panels

Black carbon-inspired panels in soft-touch material around the instrument panel and the shift knob area serve to remind you that the CR-Z is all about sporty driving pleasure.

2 Illuminated Speaker Ring & Door Pocket Illumination

For a trendy high-tech touch, chrome speaker rings send out a subtle but stunning blue illumination when lit. To complete the stylish illuminated blue interior of your CR-Z, a light behind the interior door handle adds extra atmosphere.

Elegance Floor Carpet

To continue the sporting style right down into the floor area, the CR-Z can be enhanced with Elegance Floor Carpets. These feature black banding with carbon-inspired texture and an embossed metal emblem with the CR-Z logo.

Doorstep Garnishes

Step into your CR-Z's sporty interior via trendy Doorstep Garnishes, which are offered in stainless steel with a black, carbon-inspired trim surrounding the metal inlay. The garnishes are available as illuminated or non-illuminated.

Front Armrest Console

With additional storage space available beneath its light-grey sliding cover, the Front Armrest Console between driver and passenger will make those longer motorway journeys more relaxing.

Gearshift Knob

Make those gear changes smooth and stylish with the addition of a sporty Gearshift Knob in brushed aluminium and shiny black finishes and perforated black leather with black stitching.

AUDIO & ELECTRONICS

- 1 Solid State Drive (SSD) Navigation**
For trouble-free navigation to your destination, Honda's 8GB Solid State Drive (SSD) Navigation system offers optimum coverage, fast route calculation and top-level connectivity. The unit is also available with a USB cable and/or a Parking Aid Camera.
- 2 Parking Aid Camera**
Displayed on the screen of the Honda SSD Navigation system, the Parking Aid Camera adds a visual picture to those restricted parking spaces, making it even easier to squeeze into even the tightest spots.
- 3 HFT Bluetooth®**
Honda's easy-to-operate hands-free telephone technology allows you to call in safety and comfort, operating through your car's speakers.

ALLOY WHEELS

To complete the CR-Z's stylish make-over, two styles of Honda Genuine Alloy Wheels are available. Because they are made by Honda, you can be assured that these Alloys have been designed and produced alongside the CR-Z's development team. This means they will ensure maximum safety, perfect fit and maintain Honda's reputation for quality, durability and reliability...And they look absolutely stunning.

- 1 16" Magnet**
Diamond-cut A surface with clear coat and black pearl windows.
- 2 17" Electra**
Diamond-cut A surface with clear coat and black pearl windows featuring a special center cap with carbon-inspired texture.

CARRYING & TOWING

- 1 Roof Rack**
For further versatility and carrying ability, the Roof Rack is available. With a range of attachments to carry a bicycle, skis and more, the black Roof Rack will carry loads of up to 50kg.
- 2 Ski and Snowboard Attachment**
This attachment for the Roof Rack will accommodate up to 4 pairs of skis or 2 snowboards, and features an anti-theft lock for additional security.
- 3 Top Box**
To increase your loading capacity, the Top Box fits on the Roof Rack, offering a generous volume of 350l with loads up to 50kg and comes with an anti-theft lock.

TRUNK & UTILITY

- 1 Cargo Mat**
To protect the original carpet in the CR-Z's trunk area, a perfectly-shaped Cargo Mat is available.
- 2 Trunk Tray**
To transport wet and muddy active gear the Trunk Tray has been designed to fit the CR-Z's cargo area perfectly and keep it well-protected.
- 3 Tonneau Cover**
For additional security and to keep your belongings in the trunk hidden from prying eyes, a tonneau cover will give you further peace of mind.
