*Honda Compact Navigation System*

# Discover Europe at the touch of a screen

Whether you are looking for a short cut home or planning a road trip across Europe, the Honda Compact Navigation System is your partner in discovery. Follow new routes, find addresses and POIs (Points of Interest), and leave the map behind. With on-screen guidance accompanied by clear voice prompts, you can sit back as uncharted territory unfolds before you. The freedom of integrated Bluetooth® wireless technology will enable you to stay in touch, while MP3 playback will keep you entertained for hours on end.

## NAVIGATE

- Honda-specific start-up screen
- Precision GPS navigation
- Turn-by-turn voice prompts
- 2D and 3D map perspective
- Address and POI (Points of Interest) search, incl. the European Honda dealer network
- Pre-loaded map content for Western and Central Europe, updates available via the Honda Access website
- Touch screen operation
- Voice guidance

## PERFECT FOR HONDA

The Honda Compact Navigation System is the perfect solution for applicable Honda cars without an in-dash navigation system:

- Thanks to the unique Honda attachment system, with charger function and cover plate, the system can be perfectly integrated in your Honda model. All wiring will be seamlessly integrated in the dashboard,
- When you stop your car, the system offers theft prevention as it can be stored away safely,
- Dark anti-glare back avoids annoying reflections in the front windshield,
- Address and POI (Point of Interest) search, including the European Honda dealer network. At any time, you can locate and, when a Bluetooth®-enabled mobile phone is connected, you can call the nearest Honda dealer from your current position,
- And, since the Honda Compact Navigation System boasts the same high quality as any Honda car, the Honda Genuine Accessories warranty applies.

## TRAVEL

- MP3 player and Audio Book playback
- JPEG picture viewer
- World clock
- Integrated currencies, metrics and time zone converter
- Optional Language Guide™ and Travel Guides™ software available

## COMMUNICATE

- Integrated Bluetooth® wireless technology for hands-free telephony
- Integrated microphone and speaker
- Personalised phonebook and call history dialing
- POI direct dialing

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.
