Leather Upholstery

Drive your indulgence

Step up to luxuriant

If you want to have that executive feeling every time you step into your car then a leather upholstery fitting from Honda is perfect for you.

Not only will you get that unbeatably classy feeling from your car's interior, you can sit back, relax and enjoy the drive, sure in the knowledge that your upholstery comes with Honda's inbuilt production quality, durability and premium finishing.

With comfort comes security

Production quality is part of Honda's DNA so, naturally, Honda's leather upholstery option has been fully and rigorously tested to assure leather and manufacturing excellence, complying with all vehicle safety requirements. Using the best available raw material worldwide means that our leather is the most luxurious and from the highest quality.

Honda's leather upholstery has undergone thorough safety-laboratory testing with airbag systems to guarantee correct deployment under all possible conditions.

The leather upholstery also integrates seamlessly with all Honda's passenger detection sensors and is fully compatible with Honda's heated seat options.

Naturally, a full manufacturer's warranty is provided with every variation of leather upholstery from Honda.

Variety needn't be black

Alternative colours are available to suit every taste: Midnight Black, Mokka Brown, Bordeaux Red, Sand Beige, Stone Grey and this all with a combination of perforated and non-perforated finishes.

Touch to feel good

It's not just that wondrous smell. It's the touch, the texture, the tangible feeling of sheer class, and the warmth and comfort that Honda's leather upholstery option offers you.
