**HONDA**  
The Power of Dreams

# S2000

# Tailor your dreams

The S2000 is the product of many dreams. Soichiro Honda's dreams of winning races. Honda's dreams of achieving perfection. Your dream of your ideal car. A car that appeals to your every sense. A car that is thrilling, elegant and safe to drive. Our range of Honda Genuine Accessories is specially designed with your dream in mind. Let yourself be inspired.

## Obsession

"The value of life can be measured by how many times your soul has been deeply stirred." Since the young Soichiro Honda ran at full speed after the first car he saw, racing stirred his soul. His deep-seated passion continues to power dreams today. And when Ritchie Ginther's RA272 won its first Grand Prix title, a simple question took form, and became a lifelong challenge: What if everybody could experience the same feeling a racing car driver has every time they get behind the wheel?

# Breathtaking

The S2000's design is all about balance and proportion. Its sportiness is always elegant. Its beauty is functional as well as impressive. Our exterior accessories are part of this concept. Every last detail enhances the car's perfect looks and aerodynamic, race-bred attitude. Every drive combines the pleasures of sensational style and electrifying sports performance.

**1 FRONT SKIRT**

The front skirt accentuates your sports car's intense, road-hugging appearance.

**2 HIGH WING SPOILER**

The high wing spoiler is pure inspiration from the roadster's racing heritage.

**3 FENDER LOWER PROTECTOR**

The lower fender protector enhances the aerodynamic looks and smooth performance by deflecting airflow past the S2000's rear tyres.

## > Seductive

The body-hugging leather seats draw you in deep. The big red start button nudges the car into action. We asked ourselves what you feel at this moment. Exhilaration? Freedom? Confidence? And then we came up with these clever extras to transform your S2000's interior into a luxury cockpit for yourself and a co-pilot.

### 1 GEAR SHIFT KNOB

The compact form and short shift-stroke are designed with quick gear changes in mind, for that racing car feel.

### 2 PREMIUM FLOOR CARPETS

Pure indulgence and added protection for your car's interior. Available in Premium Red, Graphite Black or Birch, and featuring debossed aluminium Honda S2000 emblem. Set consists of 4 pieces, including centre beam cover to protect complete foot area.

### 3 SEAT BACK NET

A nifty addition to your car's storage space, which will keep belongings in place at high speeds and on long journeys.

## > AUDIO AND ELECTRONICS

### S2000 ADAPTER FOR iPod

Bring your digital music collection on the road with you. This handy adapter connects your iPod® to your S2000's sound system. Expect perfect integration and top quality sound as you drive to your own soundtrack.

iPod is a registered trademark of Apple Inc., registered in the U.S. and other countries.

Your dream car deserves to be kept in gleaming top condition. Treat it to this custom-made full body cover. Constructed of a polyester/cotton fabric, it protects the paintwork and prevents moisture from condensing underneath. Its soft inner fabric guards against scratching the finish. And it comes in a handy storage bag.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.
