Interior and comfort

Illumination Pack

The Illumination Pack combines several white illumination items to create a cool, bright ambience inside your Prelude. The Illumination Pack includes: front foot and under seat lights, a cup holder and console illumination, illuminated door sill trims and a pattern projector.

PRELUDE PATTERN PROJECTOR
For a cool effect and better visibility when dark, the Prelude logo projects onto the ground in a bright, white glow when the doors are opened.

WHITE FRONT FOOT AND UNDER SEAT LIGHTS
Unlocking the doors will illuminate the full underseat area and the front footwell with a cool, white light. If driving with headlights, this ambient lighting dims to 50% to avoid distraction. Similarly, when headlights are off, the lighting output will switch off too.

Images shown are captured under controlled studio lighting and may not reflect actual illumination intensity during everyday use. Images are for reference purposes only.

WHITE ILLUMINATED DOOR SILL TRIMS
Protecting the door sills from marks and scratches, these stylish illuminated door sill trims are crafted in brushed stainless steel and feature a white illuminated Prelude logo. The kit includes: two illuminated front trims.

WHITE CUP HOLDER AND CONSOLE ILLUMINATION
When the ignition and headlights are switched on, the bottom of the cup holders and the storage box in the center console are illuminated, bringing a cool, white light to your Prelude interior.

BOOT NET

The clever hammock style boot net keeps all your items upright and securely in place in the boot of the car.

ELEGANCE FLOOR MATS

These elegant and comfortable fitted tufted carpets add a luxurious feel to the floor of your interior. Designed from sustainable materials, with stylish black nubuck binding, blue stitching and a metal Prelude emblem for added durability. One set includes: front and rear mats.
